INTRODUCTION

Dear Parents: **السلام عليكم ورحمة الله وبركاته**

Welcome to the new school year at the AIA Weekend Islamic School. We are committed to provide quality Islamic education and excellent services to your children. We are excited to build on our successes from the past by implementing what worked best for us and learning lessons from our mistakes. We are grateful to Allah (SWT) that we have a very competent and dedicated group of teachers who offer their services to the school despite constraints of their social and family obligations.

Please note that children 5 years old and above on September 1, 2019 will be enrolled in school.

The school will start on Sunday, September 8, 2019.

We expect the parents and students to take AIA School seriously. We will be implementing strict rules in the School to keep discipline and achieve high standard of education.

We expect to start each class on time. It is the parents' responsibility to bring their child to the School on time. Tardiness by more than ten minutes will result in denial of attendance to the class and those students will be sent to the Principal's office. Attendance is absolutely necessary for children to keep a sense of commitment to the Islamic School. Regular attendance helps in continuity and keeps the children focused on topics under discussion. If the student is absent for more than three days, without permission, a disciplinary action will be taken against the student. Children must be picked up by their parents within ten minutes of completion of Dhuhr prayers.

Children are expected to observe Islamic dress code and show Islamic code of conduct while on AIA premises. Children must remain in the compound during School hours and go to the class at its start time. Students are expected to respect the teachers and elders. Eating and drinking is allowed only in the banquet hall dining area. Abusive language, running or littering in the hallways and class rooms are all prohibited. No disruptive behavior will be tolerated from students. All boys and girls are expected to remain silent in the prayer hall and not to run around.

Students are expected to turn in all homework assignments on time. Parents are encouraged to work with their children ahead of the classes and work with them after the classes. Homework assignments will be counted in the grade determination. Parents are requested to inquire children about their homework. Disciplinary action will be taken if the assignments are not completed on time.

Students are expected to bring all required materials to the class. This is especially applicable to bringing class materials distributed by teachers, and their own pen, pencils, note books etc. Textbooks will be supplied to the students on the first day of school.

We look forward to welcoming our new and returning students to our school, where the school motto is: "Excellence in Education, Worship and Character!"

Sincerely,

Abdul Khalique, PhD

AIA WEEKEND SCHOOL POLICIES

Attendance

Attendance is absolutely necessary for children to keep a sense of commitment to the Islamic School. Regular attendance helps in continuity and keeps the children focused on topics under discussion. If a student is absent for more than three days, without permission, a disciplinary action will be taken against the student.

Tardiness

Each class is expected to start on time. It is the parents' responsibility to bring their child to the School on time. Tardiness by more than ten minutes will result in disciplinary action. Late comers will be sent to the Principal's office and required to get a permission slip to enter the class.

Security and Safety of Students

Students must remain in the AIA compound during school hours and go to their classes at its time. Front door will be locked a few minutes after the start of school hours and will remain locked for most of the time. Anyone arriving late after the doors are locked will have to buzz in at the entrance and someone in the office will unlock the door for the student/visitor to enter.

Students will be allowed to play outside under the supervision of adults during lunch break. Students must be picked up by their parents within 10 minutes of completion of Dhuhr prayers (around 1:50 pm). No student will be allowed to go outside and wait for the ride. Parents must come inside the building from front door to pick up their child.

Homework

Each student is expected to turn all homework assignments on time. Parents are requested to work with their children to get the assignment completed. Homework assignment will be counted in the grade determination. Disciplinary action will be taken if assignments are not completed on time.

Class Supplies

Every student is expected to bring all required materials to the class. This is especially applicable to bringing class materials distributed by teachers, pen, pencils, note books etc. Teachers will advise students regarding books and other reading material. It is preferred that students take notes in class and make a separate section for each class in a spiral note book.

Weather Emergencies

In cases of inclement weather of serious nature, principal will announce cancellation of classes for the day. The teachers will make every effort to catch up with the scheduled material for the canceled class.

Emergency Drills

The School will conduct emergency drills once or twice a year to train the staff and students what to do in case of an emergency. There will be three types of drills. In case of a TORNADO, everyone will be sent to the basement Banquet Hall. In case of a FIRE, everyone will be trained to evacuate the building and head outside to the Safety Gathering Area near the picnic area. For INTRUDER LOCKDOWN situation, everyone will be trained to hide inside their own class rooms.

Competitions

In order to keep the parents abreast of their children's progress, stimulate learning and motivate students, competitions will be held from time to time and prizes will be awarded to the winning group of students.

Examinations

Mid-term and final examinations will be given to students to test their learning. All major exams will be pre-announced but pop quizzes will be given unannounced to test ongoing learning and retention of knowledge.

Complaints and Questions

If a situation occurs where a parent feels something wrong has been done, they are encouraged to talk to teachers first if it is a direct class related problem but if the problem is concerning the system itself, they should discuss the problem with the principal. All concerns, misunderstandings or miscommunication problems must be resolved in an Islamic way without involving persons not concerned with the issue. Personal egos, unhealthy competition, or desire to control events must be avoided under all circumstances. This code of conduct is expected from students, teachers, parents and all those involved with the Islamic school.

Parents Involvement

Parent's participation is very important in their children's activities. Parent's interaction with their children outside the classroom helps them to do better in the school. Please do not simply drop off your child and expect everything will be taken care of. If you have any suggestion or comments regarding school, please send them to the principal in writing.

Dress Code

AIA Islamic school is an institution dedicated to teach our children Islamic morals, manners and personal conduct. It is important that we follow strict Islamic guidelines to achieve these objectives. Students are required to adhere to the Islamic dress code. Full compliance and cooperation is required from all students and parents. The following are minimum guidelines for the dress code:

Girls:

1. Girls should wear dress that is loose and not transparent or form fitting.
2. Loose fitting slacks that cover legs up to ankles
3. Tops that must be loose, long-sleeved
4. Head must be covered with a scarf or Hijab
5. No shorts and tank tops
6. No live image of any kind is allowed on the clothes

Boys:

1. Shirts must cover the upper body completely
2. No shorts and tank tops. Wear long loose pants.
3. Wearing of cap/topi/kufi is highly encouraged
4. No live images of any kind are allowed on the clothes
5. No bracelets, bands, neck chains or jewelry and no body piercing

Parent-Teacher Conferences

A parent-teacher conference will be held once in the school year. Your participation is important to make conference useful. We sincerely hope you will avail this opportunity to discuss matters relating to your child's progress in the school.

Discipline Policy

Students are expected to show Islamic code of conduct at the School premises. They are expected to respect the teachers, recess supervisors, elders, and keep the class room clean and tidy.

Talking in the class room, throwing objects and disruptive behavior will not be tolerated. Any verbal abuse, foul language, fighting, bullying, running and littering in the class room, prayer hall and hallway is prohibited. Destruction of property anywhere on AIA premises including parking lot will not be tolerated. Inappropriate literature and harmful materials to the school is prohibited. Eating and drinking is allowed only in the dining area of the banquet hall.

Following actions will be taken against the students if they do not follow the discipline policy.

Step 1. The student will be given a verbal warning by the teacher.

Step 2. The student will be given second warning and a parent's notification will be mailed.

Step 3. The student will be sent to the Principal's office and a second notification will be mailed.

Step 4. The student will be sent to the Principal's office, deprived of recess and a third notification will be mailed.

Step 5. The student will be sent to the Principal's office and deprived of recess. The Principal will contact the parents and discuss the situation with them.

Step 6. Further action will be taken as necessary if the situation does not improve.

STUDENTS CLASSIFICATION

The following classification is based on age group. However, students might be placed in other classes depending upon their present knowledge and abilities. Teacher's recommendations and parents' input would be very critical in this matter, but the Principal will make the final decision.

**** Early Hour Quran/Tajweed Class:**

Introduction to Quranic Arabic & Reading Quran

An early hour Quran/Tajweed class is held on each school day from 10:30 to 11:00 am. This class is intended for those students who need extra help to learn Quranic Arabic and read Quran at their own pace and catch up with the regular students in their class. Several students have benefited with this class in the past and we encourage parents of those students who need extra help to send their children to this class.

Students of any age can attend this class who need to start from the very beginning by learning the Arabic alphabet and also those students who are already reading the Quran can attend for extra practice & monitoring – and everyone in between.
